

COVID BACK TO SCHOOL QUESTIONNAIRE

Ask these simple questions to make sure schools are safe and ready for your kids. Know your options.

What's your re-opening plan and what will be done to mitigate the spread of Covid-19?

What class options are you offering this year: in-person, hybrid and/or virtual? Can I freely pick either option?

Will you provide a laptop, internet hotspot or any other resources for at-home learning?

If you are offering hybrid or virtual, does my child have to participate at a specific time or can we self pace?

What supports and services will be available to students with an IEP or 504 plan?

Are staff and students required to wear masks during the day? At any time during the day will masks will not be required?

What's your protocol on handling students/staff who might test positive for Covid-19 or seem ill during the school day?

What are the steps that must be taken by an infected person to return to campus?

Will before/after school care be available?

Will your school still allow extra-curricular activities?

Will access be provided to student counseling services for all choices of instructional modes?
